ONIL Stoves and Water Filters

HELPS

Women Helping Women Project

Altrusa Richardson provided funding for the purchase of ONIL products to improve the quality of life in Guatemala.

Tortillas are the mainstay of the local diet. Here they are prepared on an Onil stove.

Around the Neighborhood

HELPS International is working together with Grupos de Ahorro y Préstamos Comunitarios, in San Cristobal, Alta Verapaz, promoting Savings and Loans in these communities. As pictured here, over 20 families received ONIL Stoves and Water filter combos purchased with their loans.
