President's Message

I'm looking forward to the temperatures actually being fall like!

Welcome to new member Kathy Shockley. I hope everyone takes the opportunity to meet her and welcome her to the club.

On September 8th, eleven volunteers from Altrusa Richardson joined many other organizations to pack more than 100,000 healthy meals, which will primarily be distributed in the North Texas area.

Samanthia Slaight and I attended the Compassion Conference 2019, hosted by Compassionate DFW. And held at First Methodist church of Richardson. The Conference was excellent; very educational and inspirational, that generated several ideas for expanding Altrusa's involvement in the community.

HASR hosted the Richardson Celebration of The North Texas Giving Day. Our Foundation and Club partnered to have a booth. Six Altrusans assisted visitors to Spin the Wheel of Kindness for prizes and had the opportunity to talk to people about what Altrusa is and encourage joining us. Altrusa also received just under \$210 in donations!

I write this just after the Town Hall meeting. I want to thank the twelve members who attended, It was very productive. We discussed dinner meeting options and options for program and speaker selection. We also discussed ways to more thoroughly involve members in the meeting process and membership.

One of the ideas that you will be hearing more about is smaller groups of members getting together in member's homes in a more informal setting to talk about all aspects of the club and brainstorm ideas for making the club better and more responsive to member needs.

This month we are making final preparations for our signature event of the year, the *Sixteenth Outstanding Women of Today Awards Luncheon*. Every single one of us are needed to continue the wonderful success of this event Remember this is the main source of funds for our service next year and every member is expected to contribute in some fashion; by volunteering, donating to or attending the event.

Altrusa hugs,

Bobbi Klein

AVAILABLE MONEY FOR PROJECTS

Community Initiative Funds

By Nancy Rohm, Past President

When I was president of our Richardson Altrusa Club 2016-17, we had just finished a Community Survey to learn unmet needs in our community. The results of the survey showed there were needs in Education and Literacy, Seniors, International and Diversity, and Community and Volunteerism. About the same time the results were announced to our membership, a wonderful monetary donation of \$10,000 was made anonymously to our local Altrusa Foundation. Since that time only about a third of the money has been spent. There is \$7,023.26 remaining. It is held in Reserve.

The money is for unmet needs in our community. Since I was the president at the time, I asked that as much as possible of it be used to hands-on projects. I still think that is ideal, even though it's not required. Once your service committee has committed/spent their entire budget for this year, your committee may request additional funds if they want to do something more. A Committee Chair should prepare a written request of how much money is requested and what this money will be used for. Give or send the request to MaryBeth McLemore, Chair of the Finances Committee. She will present the request to the Finances Committee, then to the board, then to the membership of the club. Assuming all three entities recommend it, the Foundation will make the final decision and likely a check will be cut. This process does not take long; some of it can be done by email.

Please don't let lack of funds keep you from doing something good for our community!

ABILITY HOUSE COMMITTEE UPDATE

It's a Haunted Halloween Happening!

Join Kathleen the Witch (pictured right) and the other residents at Ability House for the annual Halloween Party. Help us celebrate this fun event with ice cream and cake, and other fun stuff! There's sure to be plenty of Tricks and Treats. If you can't come for the whole party, won't you come and Reverse Trick or Treat! We would love for you to stop by and ring the doorbell and instead of asking for a treat bring a treat for our friends instead! What a fun treat for them to get to some new Altrusans and if you've never been to Ability House you can check it out. Doesn't everybody need new friends?

Do you have any masks, wigs, hats or other easy to wear items for a special dress up box for our friends? Please bring them to the October meetings (or contact Rosemary Gouger) so we'll have them in time to dress up for Halloween.

SOPHOMORE SISTERS COMMITTEE

<u>"Seats & Feets" Collection for</u> <u>Make a Difference Day</u>

By Linda Caron

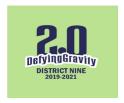

Under the leadership of Past President Sarah Nesbit, the Sophomore Sisters have planned a special project for this fall. It is called "SEATS & FEETS" and will be a collection of new underwear and socks for young children. These will be collected, packaged in groups of two, and given to NETWORK of Community Ministries to hand out to their clients. We'll be doing the "Make Difference packaging on а Day" (Saturday, Oct 26) so we only have a few weeks to meet our goal. Our goal is to collect 1000 articles of clothing. This may sound impossible, but you might be surprised at how far a few dollars will go. For instance, I was able to purchase 45 pair of socks for only \$20 at the Dollar Tree store. We have a budget of \$600 to draw from and hope to also be able to use some of the Community InitiativeFunds that have yet to be distributed. But to be successful, we need each and every Altrusan (and hopefully friends and family) to consider making a contribution. Imagine being a small child and not even having enough clean underwear

or socks to last for a week of school! The cost of a lunch or dinner for you can change that for a child. Sara Deats has designed a wonderful colorful flyer for our project to put out on the Altrusan website and Facebook pages. Please share it with friends and family. On behalf of all the Sophomore Sisters, (Mary Beodosky, Mary Boyter, Linda Calkin, Sara Burton Deats, Sarah Saunders, and Thanh Tran), thank you in

UNITED NATIONS OBSERVANCES

Octember 2019 U.N. Days and Other Observances

Excerpted from www.un.org

International Day of Older Persons, October 1, 2019:

Between 2017 and 2030, the number of persons aged 60 years or over is projected to grow by 46 per cent (from 962 million to 1.4 billion) globally outnumbering youth, as well as children under the age of 10. Moreover, this increase will be the greatest and most rapid in the developing world (A/RES/73/143). Population ageing is poised to become one of the most significant social transformations of the 21st century.

Older people have always played a significant role in society as leaders, caretakers and custodians of tradition. Yet they are also highly vulnerable, with many falling into poverty, becoming disabled or facing discrimination. As health care improves, the population of older people is growing. Their needs are also growing, as are their contributions to the world

World Teachers Day, October 5, 2019: Held annually on 5 October since 1994, World Teachers' Day commemorates the anniversary of the adoption of the 1966 ILO/UNESCO Recommendation concerning the Status of Teachers. This Recommendation sets benchmarks regarding the rights and responsibilities of teachers and standards for their initial preparation and further education, recruitment, employment, and teaching and learning conditions. The Recommendation concerning the Status of Higher-Education Teaching Personnel was adopted in 1997 to complement the 1966 Recommendation by covering teaching and research personnel in higher education.

With the adoption of the Sustainable Development Goal 4 on education, and the dedicated target (SDG 4.c) recognizing teachers as key to the achievement of the Education 2030 agenda, WTD has become the occasion to mark progress and reflect on ways to counter the remaining challenges for the promotion of the teaching profession

International Day of the Girl Child, October 11: Since 2012, 11 October has been marked as the International Day of the Girl. The day aims to highlight and address the needs and challenges girls face, while promoting girls' empowerment and the fulfillment of their human rights.

2019 Theme — GirlForce: Unscripted and Unstoppable

Nearly 25 years ago, some 30,000 women and men from nearly 200 countries arrived in Beijing, China for the Fourth World Conference on Women, determined to recognize the rights of women and girls as human rights. The conference culminated in the adoption of the <u>Beijing Declaration and Platform for Action</u>: the most comprehensive policy agenda for the empowerment of women.

In the years following, women pressed this agenda forward, leading global movements on issues ranging from sexual and reproductive health rights to equal pay. More girls today are attending and completing school, fewer are getting married or becoming mothers while still children, and more are gaining the skills they need to excel in the future world of work.

Today, these movements have expanded. They are being organized by and for adolescent girls, and tackling issues like child marriage, education inequality, gender-based violence, climate change, self-esteem, and girls' rights to enter places of worship or public spaces during menstruation. Girls are proving they are unscripted and unstoppable.

This year, under the theme, "GirlForce: Unscripted and unstoppable", we will celebrate achievements by, with and for girls since the adoption of the Beijing Declaration and Platform for Action.
